2014 Junior Faculty Development Course Being Offered!

The School of Medicine is offering a five-month career development course designed especially for junior faculty in the SOM (Instructors and Assistant Professors).

Nominations can be made directly by applicants or by departmental chairs. In either case, the application form should be filled out and must include a brief statement from the candidate as to how the course will assist him/her in his/her career.

**The deadline to submit the application and CV is November 6, 2013.** Please email the application materials electronically to Karen Summers at karen.summers@emory.edu.

For details, cost and course schedule go to: [http://med.emory.edu/faculty_dev/career-development/programs/jr-fac-dev-course.html](http://med.emory.edu/faculty_dev/career-development/programs/jr-fac-dev-course.html)
Nov 19
