### Highlights

- 1920x1080 pixels resolution provides sharp and brilliant images of text and graphics
- 1000:1 (typical) contrast ratio and 2,000,000:1 (Dynamic) help to ensure a seamless experience while watching a presentation, reviewing documents or streaming online video
- Fast response time of up to 5 ms (black to white) helps prevent ghosting in fast motion video
- Equipped with 250cd/m2 (typical) brightness for outstanding and clear image display
- Offers a horizontal viewing angle of 170° and vertical viewing angle of 160°
- Comes with 3-Year Warranty

### Overview

Enjoy excellent picture quality with enhanced clarity on Professional P2311H 23-inch Widescreen Monitor from Dell™. With full high-definition resolution of 1920x1080 and a generous 23-inch display area, you can easily work on multiple documents, or in multiple application windows, at once. A 2,000,000:1 dynamic contrast ratio and 5ms response time (typical) help to ensure a seamless experience whether you're watching a presentation, reviewing documents or streaming online video. Connect to your PC with a standard VGA cable, or enjoy exceptional image quality and color uniformity with DVI (HDCP). You can easily plug and play with the two USB 2.0 ports. Be assured of reliable office performance and user comfort with the unique combination of energy-conscious and environmentally sound design of P2311H.

Experience warm, vivid colors in virtually any setting with the LED-backlit panel and dynamic dimming on the P2311H. Thanks to the lower power consumption of LED technology, you can also see potential cost savings over time! The P2311H is designed to comply with the latest energy-efficiency standards, including ENERGY STAR 5.0 and TCO 5.0. Additionally, the EPEAT Gold rating on the monitor helps ensure that your organization stays aligned with the highest environmental standards. With all such impressive features and more, the P2311H is an ideal choice for your smart and modern lifestyle! Dell branded monitors undergo exhaustive testing for performance, reliability, durability and compatibility with Dell systems.

This Monitor comes with 3-Year Warranty.
